COLLEGE PARK DAY CAMPUS REGISTRATION

PRIORITY REGISTRATION

Priority registration is an available option in the pre-registration system. However, it is limited to those students who:

1) participate in University sponsored activities which strictly limit times available for classes;

2) have medical problems which create special scheduling requirements.

Priority registration is no longer available to students employed on campus. The size of this group makes it impractical to offer a priority arrangement.

Students who have extremely unusual scheduling problems may receive priority registration on a special exception basis. All requests for priority registration should be made to the Registrations Office by November 3, 1972, for the Spring 1973 Semester.

IDENTIFICATION CARDS

TRANSACTION CARDS – All students registered for the spring semester, 1973 will be issued new plastic transaction cards which are an indication of a student's current registration with the University and serve as a method of recording student data throughout the College Park Campus. These cards will be validated for housing, athletics and library privileges. Please consult the second edition of the Schedule of Classes for information concerning the distribution procedure.

PHOTO ID CARDS – All students who have been issued photo identification cards should continue to carry them. New students and readmitted students will be issued new cards when they register.

INTRODUCTORY STATEMENT

UNDERGRADUATE – With the exception of new students, advisement is not a mandatory part of the undergraduate registration system. The decision regarding necessity of advisement is up to the student. However, all students are strongly urged to avail themselves of advisement as needed. It is of utmost importance for each student to familiarize himself with the degree requirements indicated in The Consolidated Undergraduate Catalog. If advisement is desired, advisors are available and anxious to assist the students. They are familiar with special degree requirements, course prerequisites and the general stipulations governing admission to courses which require permission of the instructor. Arrangements for advisement can be made through the department.

For additional information about advisors and advisement procedures contact the Dean for Undergraduate Studies in Room 1115, Undergraduate Library or call on x2530.

Advisement is required for all first semester freshmen and transfer students.

PASS-FAIL OPTION DEFINED

UNDERGRADUATE – Only one course a semester may be taken for Pass/Fail credit. Selection for Pass/Fail is limited to free elective courses. Courses used to fulfill requirements for a major or field of concentration, specific courses designated as degree requirements or the general education program cannot be selected for Pass/Fail credit. Courses not marked P/F in the Schedule of Classes are specifically excluded from the Pass/Fail grading option by the department offering the course.

Changes from P/F to regular grade or vice-versa must be made during the first week of classes.

Additional information pertaining to Pass/Fail option can be found in The Consolidated Undergraduate Catalog.

GRADUATE – Not eligible for the Pass/Fail grading option.

CONTINUOUS REGISTRATION DEFINED (Graduate Doctoral Students Only)

Following advancement to candidacy by the Graduate Council for the doctoral degree, every graduate student must register each fall and spring semester until the degree is awarded. Contact the Dean for Graduate Studies and Research for more complete information.

BACHELOR OF GENERAL STUDIES DEGREE PROGRAM

The Bachelor of General Studies degree, recently approved by the Board of Regents, differs from other current degrees in that it is a degree without a concentration in a specific discipline or department.

The BGS program permits the student to obtain an education in as broad a set of disciplines or thought patterns as are offered at the College Park Campus without insisting that he adhere to a previously defined curriculum with a departmental or divisional orientation.

In this BGS program, the burden for motivation and direction is on the student. Good advice will guide him, but institutional commands will not compel him. Although this program is clearly a significant departure from current practices at this campus, it does not depart from the high quality academic standards required of other programs.

Students who elect this program should specifically be aware that it is not designed to satisfy graduate school admission requirements or professional employment requirements. The very concept of the BGS is predicated on a broad ranging educational objective and not on the more specific requirements of graduate school and professional employment. It will be some time before the attitude of employers and graduate schools become clear toward the graduate of the BGS program. Students electing it must be aware of these uncertainties and accept the responsibilities.

Additional information may be obtained from Dr. Margaret Carthy in the Office of the Dean of Undergraduate Studies (telephone: 2530/31).

REQUIREMENTS

To receive a Bachelor of General Studies degree, a student must satisfy the following requirements:

1. *A minimum of 120 credits must be accumulated with a grade point average of at least 2.0 in all courses.*
2. *No more than 30 credits in any one department may be applied toward the required 120 credits.*
3. *The courses taken must be distributed over at least three divisions with a maximum of 60 credits in any one division counted toward the required 120 credits.*
4. *At least 45 credits must be taken at the upper level (courses numbered 300 or higher); a 2.0 average must be obtained in all upper level courses.*
5. *The student must be registered as only a Bachelor of General Studies major for at least the last 30 credits immediately preceding the awarding of the degree. A student who wishes to earn a second baccalaureate must satisfy all University requirements for the earning of two degrees.*
6. *The student pursuing the BGS program shall be advised by a faculty member either appointed by or acceptable to the Dean of*

GENERAL EDUCATION REQUIREMENTS

The following specific courses may be used to satisfy the General Education requirements. The course descriptions appear in the Consolidated Undergraduate Catalog. In addition, a student may (within the limits of his particular curriculum) satisfy a General Education requirement in each category with any designated course for which he is eligible by placement examination, department evaluation, etc. Further questions should be directed to Rm. 105A, Skinner Bldg.

HEALTH AND PHYSICAL EDUCATION

Two (2) physical activity courses, and one Health Education course (HLTH 105) are required of both men and women students.

If students under the old General Education Requirements now take a basic PHED course (100A – 177Z), they will receive credit toward graduation for that course only if it is in addition to their two required PHED courses.

Students under the new University Requirements will receive credit toward graduation for all PHED courses.

ARTS AND SCIENCES REQUIREMENTS: If a student has had three years of one foreign language or two years each of two foreign languages as recorded on his high school transcript, he is not required to take any foreign languages in the college, although he may elect to do so.

FRENCH DEPARTMENT: Students who have had two or more years of high school French are required to take the Placement Exam. They may place in French 101 *for credit,* French 103, French 104, or higher. Admission to French 102 is limited to those who have completed French 101 at the University of Maryland, College Park. Students with less than two years of high school French or with a five-year gap in their French studies may take French 101 *for credit*. Transfer students with some college French should consult the department for placement. CEEB French Achievement test scores will be accepted on an equivalent basis with the placement exam.

GERMAN DEPARTMENT: Students who have had two or more years of high school German are required to take the placement exam unless they have taken the CEEB German Achievement test and the results have been forwarded to the University. German students placing below German 113 are required to take German 111 and German 112 before continuing with German 114 and 115.

SPANISH DEPARTMENT: Students who have had at least two years of high school Spanish, and who wish to continue or resume their study of that language, are urged to take the Placement Exam if (1) they feel uncertain as to their ability to take Span. 104, or (2) they wish to be exempted from Span. 104.
Students who have taken the CEEB Spanish Achievement Test should submit their achievement scores in lieu of taking the University's Placement exam.

A student with two or more years of high school Spanish may take Span. 101 for credit provided he obtains the permission of the Chairman of the Department. Students starting in Span. 101 must follow the prescribed sequence of Span. 101, 102, and 104.
Students who feel uncertain as to their ability to take Span. 104 may opt to take Span. 103 (a one semester review course) without taking the University Placement exam.
Spanish students placing in 103 must complete 104 to satisfy the Arts and Sciences language requirement. Students placing in 104 are required to complete 104 only. Students placing above 104, or who have taken the equivalent of 104 at another institution, are deemed to have satisfied the language requirement.
